Full job description

The Opportunity

At G8 Education we understand that learning begins from birth; more development occurs in the human brain between birth to 5 years than at any other time in the life span. So, we continually strive to achieve best practice in early childhood education and care from birth to 5 years. This begins with recruiting, training and retaining dedicated educators and teachers and supporting them to continue their own professional learning, which leads to positive learning outcomes for children.

At Community Kids Cessnock, we are passionate about fostering encouragement and kindness! We are a centre which provides quality programs in line with the new Early Learning Years Framework as well as a nurturing and engaging environment for our children to grow and develop. Our teaching philosophy is inclusivity for all children. We currently have a wonderful opportunity for an experienced, fully registered **Early Childhood Teacher**.

About Us

When you join G8 Education you will immerse yourself in our intensive and supportive Early Childhood Teacher (ECT) First Steps induction program. The **ECT First Steps** induction program has been designed to support you to provide quality education and care to the children in our centres, as they are the heart of all that we do.

- Your program of support starts on the day you begin with G8, and continues throughout your first 3 months, allowing time off the floor to collaborate, learn, and grow professionally.
- You will be allocated your very own ECT Buddy who provides that extra layer of support as you settle into your role. Spend time in their centre
